

Graf Rink - Phase III Step 1 COVID-19 Policies

- Phase III Step 1 is restricted exclusively to supervised groups per the State of MA.
- All groups should refer to MA Hockey and US Figure Skating for on-ice practice/game/event protocols.
- Each person who enters the rink MUST have their temperature taken.
- One parent/guardian will be allowed to accompany each skater into the rink. Siblings are not allowed inside at this point. Parents/guardians are asked to socially distance themselves at all times while inside the rink. Parents/guardians MUST be wearing masks at all times.
- All parents/guardians and participants (including coaches) must sign the Graf Rink COVID-19 specific waiver once. The waiver will be in effect 9/8/20-8/31/21.
- Coaches must submit a team roster upon arrival to each practice. This is in lieu of the skaters/coaches signing in. All parents/guardians must sign in at the registration table. It is imperative that all visitors adhere to our sign-in policy as it is our contact tracing system.
- Skaters will be allowed into the rink 15 minutes prior to the start of their rental time and no earlier. If you arrive earlier you will need to wait outside.
- Locker rooms will be available but at limited capacity. If your skater needs parental help while getting dressed or putting skates on please stay inside the rink to do so as parents are NOT ALLOWED in the locker rooms. We must keep as few people in the locker room as possible. Skaters should only sit on the seats marked with an "x" inside the locker rooms. If possible, please come dressed and ready to skate. Showers will not be available until further notice. Locker room doors will not be locked. Please leave your valuables at home or in your vehicles.

- The referee room is only available for game referees. The shower inside the referee room will not be available until further notice.
- Additional seats inside the rink have been measured for 6' of social distancing and marked with an "x". Skaters and coaches should only sit where they see an "x". Seats are also available on the opposite side of the rink. Locker rooms and rink bleachers/benches will be used for dressing. At no point in time should skaters use the lobby to get dressed. If you are using the seats inside the rink please remove your bags off the floor and place them behind your seat in the bleachers. The walkway must be kept clear.
- Anything left behind will be thrown away. No lost and found will be in use.
- All parents, skaters and coaches must have a mask on while inside the building. Masks may be removed to skate. Please bring your own baggie to store your mask while you are on the ice. Masks must be put back on once you are off the ice.
- Skaters will use the front door to enter the building and exit via the side door by the referee room. Please pay attention to all signs inside the rink indicating the traffic flow.
- Spitting will not be tolerated. This includes the ice surface.
- When the warning horn sounds at the end of your rental time you must gather your belongings and leave the rink as quickly as possible. At no point in time should there be any loitering on rink grounds after your session has ended.
- Skate sharpening is available however if you wait until the 10 minutes before your practice there may be a long line. With the extra cleaning, etc. our staff is busier than ever. Please try to get your skates sharpened well before your practice time.
- Groups must pay with 1 check or credit card. If you must pay with cash we are requesting exact change.
- Please make use of the hand sanitizer, wash your hands and practice 6' social distancing when possible. If you show any signs of being sick please stay home.

- Shamrocks Rink Management reserves the right to forfeit the ice time of any group found not adhering to rink policies.

~ Thank you for your cooperation ~
